9:35 a.m. Traci Smith, East Poweshiek Ambulance and Joel Kercheval, Montezuma Ambulance met with board to provide update on their ambulance services this past year. They were very appreciative of the additional funding provided by the county and were able to hire full-time individuals. Hiring full-time individuals has helped to lessen the strain on the volunteers, especially during working hours in which they can now remain at their full-time job. Both stated their call volume was up in 2020. Both services would like to see the appropriation from the county continue. Smith and Kercheval feel that a county-wide ambulance service is a good idea but a lot of details and questions still need worked out.
