3 ayes. Motion carried.

Moved by Dawley, 2<sup>nd</sup> by Roudabush to approve June 3 & 7, 2021 board minutes. 3 ayes. Motion carried.

Moved by Roudabush, 2<sup>nd</sup> by Dawley to approve June 11, 2021 Poweshiek County payroll for \$247,821.82. 3 ayes. Motion carried.

Moved by Dawley, 2<sup>nd</sup> by Roudabush to approve cigarette/tobacco/nicotine/vapor renewal application for Kwik Star #303, Brooklyn, IA. 3 ayes. Motion carried.

9:00 a.m. Board met with residents of Poweshiek County to receive comments regarding use of ATV/UTV on rural county roads. Many counties in Iowa and other states allow for the use of ATV/UTV on county roads and there has been interest expressed for the supervisors to pass an ordinance to allow use in Poweshiek County. Sheriff Kriegel stated if an ordinance were passed, he would enforce the laws of the ordinance. He stated there would be regulations regarding speed and other rules to abide by and he does not feel it would create anything that his deputies could not handle. Sheriff Kriegel also stated he liked the idea of doing a one-year trial with a review at the end of the year to see if ordinance should become permanent.

Roudabush stated he has spoken to a few surrounding county sheriffs that already have such an ordinance in place and they stated they have not had any problems with allowing the use on county roads.

James & Tawana Wienkes, residents of Lake Ponderosa, stated they are in favor of passing such an ordinance and they love to go on rides in their UTV and many other counties in the state already allow and have such an ordinance.

Dawley asked engineer Brehm his thoughts regarding the road system. Brehm stated when he looks at roads, his concern is safety and maintenance. Brehm stated he can't speak for safety but regarding maintenance he did not feel use of ATV/UTV would create any issues. The issue is when these are driven in ditches there become problems of undermining the roadway.

Peggy & Dennis Heldebrand, residents of Lake Ponderosa, stated they are in favor of such ordinance and inquired if this was just on gravel roads or if they could drive on pavement/blacktop roads such as 480<sup>th</sup> or if they would need to use shoulder.

Dave Lehman, resident of Lake Ponderosa, stated he is in favor of such an ordinance. He stated the shoulders could get soft so it would be nice to be on pavement. Lehman also asked about the county access road south of Diamond Trail between entrances 2 & 3. Brehm stated this is a county Level B road and could be used if such ordinance was passed.

Barbie Ahrens-Lowry stated she is in favor of such ordinance and hope residents of Lake Ponderosa can use the Level B road to get from entrance 2 to 3 and would like to see lake residents be able to use 480<sup>th</sup> pavement for getting from entrance to entrance. She inquired if a flag or slow moving sign would be required.

Amy Vermillion had concerns with a 35 mph speed on 480<sup>th</sup> with traffic on that road driving so fast.

Karen McNaul, resident of Lake Ponderosa, stated she is in favor of such an ordinance and feels 99% of the people are responsible and will abide by the laws set.

Sheriff Kriegel stated it would be good to have an ordinance setting forth rules to better allow law enforcement to enforce those rules. Kriegel likes the idea of having a slow moving vehicle sign and/or flag.

Jackie VanRoekel, resident of rural Montezuma, stated her family goes on UTV rides in other states and has not had any problems. She stated responsible adults will follow rules and UTV owners will not tear up their machines as people spend a lot of money on them. She feels this is good family time with kids. She stated parents need to teach

kids to be responsible and follow rules and if they do not, then law enforcement could pull them over and ticket them. She does not feel these would tear up a road any more than large farm equipment.

Rae VanRoekel stated he rides in Arizona and has no problems. He stated in Arizona you pay a license fee.

Steve Gee, resident of Lake Ponderosa, stated he is in favor of such ordinance. He inquired if a 14 year old with a permit to drive with parent would be allowed to drive, if parent was with them. Jackie VanRoekel stated she would like to see rules as with vehicles and allow a licensed permit driver to drive with parent/approved adult.

Eric Thomason, resident of rural Montezuma, stated he drives his UTV to get from homestead to homestead and there is not a direct gravel road path and he must utilize the county paved roads. He feels as long as everyone is following the rules of the ordinance there will not be a problem.

Tracy Jensen, resident of Grinnell, stated he is in favor of the ordinance. He likes to take his grandkids around the countryside on rides. He likes the idea of everyone needing to show proof of insurance.

Over a year ago the board had prepared a draft ordinance and was going to hold meetings to receive comment but COVID hit and things were delayed. The board will discuss this at future board meetings and take into consideration all comments received today.

10:30 a.m. Moved by Roudabush, 2<sup>nd</sup> by Dawley to enter into closed session pursuant to Iowa Code Section 21.5(k). 3 ayes. Motion carried. 12:10 p.m. Moved by Dawley, 2<sup>nd</sup> by Roudabush to end closed session. 3 ayes. Motion carried.

12:15 p.m. Moved by Roudabush, 2<sup>nd</sup> by Dawley to adjourn. 3 ayes. Motion carried.
