3 ayes. Motion carried.

8:52 a.m. Ed Evans joined the meeting.

9:00 a.m. Board held discussion with concerned citizens regarding the proposed carbon pipeline set to come through the state and Poweshiek County. Individuals present: Lori Lindsey, Jennifer Sinkler, Devyn Hall, Carolyn Bittner, Jean Perri, Ed Evans, Lyle Brehm, Engineer; JD Griffith, Sanitarian/Zoning Administrator; Amy Stevenson, Assessor. The board was provided with an ordinance that Food & Water Watch initiated. It is encouraged for counties to pass said ordinance to put regulations on pipelines should they come through the county. First and foremost, the county is opposed to the pipeline but groups against the pipeline feel the ordinance could help deter pipeline companies from coming through our county. It would make them accountable. The explosion in Mississippi was brought up and how it affected so many people and their health. If an explosion occurred in our county, our fire/EMS does not have the capability to handle such an explosion and help from HAZMAT comes from Waterloo, which is over an hour away. This pipeline is proposed to run within 1/8 mile of the town of Deep River. Assessor Stevenson asked if there was a shape file available showing where the pipeline is running. No one has seen any shape file but just a printed copy. Stevenson stated she could make a shape file if she had the names of the landowners that have been notified to date. Sheriff Kriegel stated that if a surveyor is on owner's land and does not

want them there, he will ask surveyor to leave and escort them off. They would then need to go through the court system to get access to the land. The group inquired on timeline for board to review the ordinance and make a decision. Dawley stated the board members would need to discuss the ordinance and also get with the county attorney to review ordinance and get his legal opinion.

9:24 a.m. Tom Kriegel, Sheriff joined the meeting.

Brehm provided the board with an update on the F35 paving project.

10:37 a.m. Moved by Doty, 2nd by Roudabush to adjourn. 3 ayes. Motion carried.
