Tylor Nelson, Conservation Director met with board for monthly meeting. Nelson stated they are scheduled to cut the lake dam in August/September to start draining the lake at a controlled pace. It is estimated to take a month and a half to fully drain the lake.

Jarrold Ulery, UR Energy, joined the meeting to provide information on small data centers, such as the one proposed to go up in Montezuma. This type is considered a tier zero data center with a closed loop system for cooling, using no water to cool. Ulery stated the noise decibel with this type of data center is 65 decibels. Ulery stated this would create 3-5 jobs for local residents.

Brooke Holder, Public Health met with board to discuss programs and services offered by Public Health. Holder explained the grants they receive and what services and programs they provide with these funds for post-home visits

for new mothers and children. Holder is working hard to be able to meet with expectant and new mothers while in the hospital in order to provide education and information on birth and post-birth for the individuals.

Tindle stated he has a Central Iowa Juvenile Detention committee meeting on Friday.

Moved by Tindle, 2<sup>nd</sup> by Bolen at 10:25 a.m. to adjourn.
